Organization building

individual Room.

Containers and Papers

Sanctuary 1319

Very well, I shall return for you in a few minutes

Continue in your state of relaxation where body relaxed - mind alert.

→ Access that which described as papers when I read the coordinates

→ 1324 Coord - Rest at convenience

Highly interested - men on high mission - they come together - people flying out involves →

- deal w objects that then rounded at bottom and top - especially big round - objects the stand +

- papers concern this object - objects way down road - different location.

Express areas of interest as you receive dts

Deal with Overall Planing, executive finalizing - where to put things where to set up - where area

where to put open strategy study papers

on any project - placement of objects in different.

⊖ people use older people to help them.
not rich - on old people's knowledge
much respect - for older people w/ expertise.

⊖ main man is in a military uniform - blue -

⊖ SKEP/SCKEP/
Papers/ loose leaf/ not joined
together - each page separately
try (plan) try my to understand
not how not when not w/
— the east what cost/ cost
run their own show -

⊖ dealing with objects - movements
of objects and vehicles - technology

⊖ deal with people

→ address object

tail rounded top rounded bottom
red - green - hard hard
rugged lines inside

→ guess where does what
here

⊖ Type of meeting occurring / will take
place - objects find answers

6 about two weeks -

OWARY NOUS PAR

6 Vehicles associated w/ pu
rounded at bottom
Placement of vehicle ^{on or} near water

land vehicles having an ability to stay
blind.

6 Papers of the project - man - strategic
planning on organizational part
good - ideas - conservative, realistic
hard nose approach -

6 yet (plan) blocked - get it straighten
out - vote for it - steamline.

6 Man has done some outside contacts
outside preparations - he thinks
special project will go - will not be kept
both or hidden much longer

6 make the organization -

6 Green coat - ^{man needs} underrail jacket

→ Formal dress representative

6 Comm andy - ^{blue} dark green ^{blue}
Gold around sleeves -

four gold bars on sleeve
→ served sea duty

→ Place him with the air

o not flown professionally

o was commander in military

(troops) - has power highly regarded
needed -

o married dresses a jeep -
do younger things -

→ In every day duty wear suit w/ gold bars.

o Man lat older - papers are in light

brown envelope the claw taken out

of area - taken papers into a

private place (normally papers

travelled back and forth / in some

like a book shelf built into a

the wall - on top of the containers

- Papers on top of container.

looks at frequently - studied - go^{est} question.

- color

brown - red - black black on back

red on top - brown casing - brown

enclosure - thick -

→ Symbols

" J^r P W
(bodying)

pages 11 and 14

→ Red Port is title

Class number

WH-11 in left co
WH-12
WH-14

refers to inside

→ Powers Generating - Matching
closely to them - Sabotage

→ markings

& wrapped - deals w/ generating power

coming down middle - better
and running -

6 Work done someplace - physical labor.
working for organization.

6 hidden - fixing a part of building

6 lot planning - Power generator -

6 X's and "E'S" type on their boat.

→ Set a feel for the logue

6 European - dense - thick from

back of throat many X's - Graphics

in the Book -

→ Book

6 Bending

→ Travel to country of origin - identify count

6 Papers are given to men in positions
of power.

6 33 pages

6 Describe sections

6 Big spaces man made aerotechnology
open spacious and development

→ Describe what is then developed

6 Squares loose seats - lining up country.

→ And is coming!

B tape

→ obtain all sensory functions data and
dimensional data of the ~~object~~ - allow
arrow to place. Tell me when
you're through.

B Reception

→ 1415 Shall return for you in a few minutes.
① 1420 - Count back -

→ Count (5) ①.

CZECZ possible language.

Container in work place.
